HAIR RESTORATION PROCEDURE

PAYMENTS As patients approach their hair restoration surgery, they frequently need information about the various payment options and have questions about their potential insurance benefits. We hope the following information will be helpful. Our hair restoration surgical director and patient coordinator is readily available to meet with you personally to provide the specific information you desire.

PAYMENT OF BALANCE

DEPOSIT AND WHEN PAYMENT IS DUE: To schedule and hold a hair restoration surgery date, a **nonrefundable deposit of 20%** of the total surgery cost is required. Deposits not applied to the proposed procedure(s) within 1 year will be forfeited. We do not accept financing for this portion of the hair restoration fee. This amount is deducted from the total hair restoration fee. Payment for your hair restoration procedure is due in full 14 days prior to your hair restoration surgery date. This may coincide with your preoperative appointment. We provide a number of payment options which may be used individually or combined according to your needs.

PAYMENT OPTIONS: We accept cash or credit only. NO CHECKS of any kind are accepted. Cash payments may receive a 5% discount. We accept credit cards as well. Credit options include Debit Card, Visa, MasterCard, Discover and American Express.

OPTIONAL FINANCING PLANS: We also work with third party patient financing plans for which you must apply ahead of time.

To apply for financing, we provide these options:

- CareCredit: (800) 677-0718 or www.CareCredit.com
- Alphaeon Credit: www.alphaeon.com/credit
- PatientFi: www.patientfi.com

All discounts, incentives or promotions cannot be applied when financing any portion of the surgical balance.

INSURANCE COVERAGE

Most hair restoration procedures are considered elective and are not covered by insurance.

REFUNDS

Once hair restoration services are rendered or products sold, there are no refunds. This surgery and nonsurgical procedures come with no warranty (guaranteed or implied) of any certain result. Perceived lack of improvement in one's condition does not translate into any type of refund.

RESCHEDULING AND CANCELLATION POLICY

We understand that a situation may arise that could force you to reschedule, postpone or cancel your hair restoration surgery. Please understand that such changes affect not only your surgeon and hair restoration technicians, but other patients as well. We appreciate your courtesy.

- Due to the necessary time and inconvenience, a **\$100 fee** will be added to the total hair restoration surgery cost every time the hair restoration surgery is rescheduled or cancelled by the patient regardless of timing.
- If you reschedule or cancel your hair restoration surgery more than 15 days in advance, we will refund all deposited monies **except for the original 20%**

nonrefundable deposit, which will be applied to the payment for your rescheduled surgery or procedure or reused for processing fees if you have not rescheduled within 90 days.

- If you reschedule or cancel your hair restoration procedure within 2 weeks without an approved medically acceptable reason, submitted in writing and acceptable to the practice, **75% of the overall hair restoration surgery fee** is forfeited and a **\$1000 fee for hair technicians' flights** will be kept.
- While this may appear to be a charge for services which were not provided, this fee is necessary to reserve time in the procedure room and in the practice as well as reserve the hair technicians to fly in. All of which are done when you schedule.
- We will also withhold 5% if you paid with a credit card for processing fees we are charged by these companies. There will be no refunds for hair care products or devices.
